

FlowCore Users Group Meeting

2nd September 2010

Core Flow Cytometry Facility

- FlowCore access issues resolved
 - We are not responsible for access to building 75
- Data cleanup will be taking place soon
 - Please **transfer** data and **back up ASAP** after your experiment!!
- Customer satisfaction survey to be conducted online
 - Feedback passed on to FlowCore Committee

- Online booking calendar
 - Please take note of operating hours for sorters
 - Influx 1: 9am-6pm
 - Influx 2: 10am-5pm
 - DiVa: 10am-5pm
- FlowJo licencing
 - Quarterly invoicing, rather than yearly

- Busiest time of year, thanks for your patience
- Please review long-standing bookings
- Alternative facility for sorting:
 - Monash Medical Centre
 - James Ngui – Manager
 - Dale Baum – Operator
 - (03) 9594 3611

- **New LSR II**
 - Still in negotiations, possibly a month away
- **Influx 1**
 - Major rebuild to occur later this year
 - May take 3-4 days
- **FACSVantage DiVa**
 - Now operating with UV laser line, rather than yellow laser line
= blue, red and UV lasers
 - Red laser – decreased output but still functional, will be replaced

- 33rd Annual Meeting of the Australasian Flow Cytometry Group
 - November 8-10, Sydney
 - www.afcg.org.au
 - MR & KF to attend
